“Moving fast to make your ideas a reality shouldn’t come at the expense of security or stability. At Google, our goal is to make DevOps tooling decisions easier for you. This way, you can go back to doing what you love, spending time writing code, and bringing ideas to life quickly.”

Melody Meckfessel

Vice President of Engineering, Google Cloud

GROW YOUR DEVOPS SKILLS

# LEARN HOW TO GET STARTED WITH DEVOPS

Whether you are from a system admin or software developer background, or if you are a recent new graduate or have been in the industry for a while, this book will give you an overview of the DevOps industry and provide you with a practical guide about how to get started with a career in the DevOps domain.
